1.800.755.5000 Residential Customers
1.800.232.2477 Business Customers

Program eligibility is generally based on household size and monthly income. Funding is limited, so it is important to contact the energy assistance agency to see if your family qualifies for energy bill assistance.

2. Explore Payment Options

Budget Billing

Even out the seasonal fluctuations of your energy bill based on an average of your past 12 months' usage.

Pick A Due Date

Pick a day of the month that is most convenient for you to pay your energy bill for either your home or small business.

Deferred Payment Agreement

Start by paying 10% of your total balance and the remainder will be divided in monthly installments along with your monthly bill over 18 months. For LIHEAP recipients, it will be spread over 24 months.

Flex Pay

Pay in advance for what you use. You can defer your balance of up to \$600 to pay this over time. You'll get text and/or email alerts letting you know when you need to add more funds.
